Description

An Oasis in the Middle of Santa Clara - "The Mission City"!

Welcome to our new rejuvenated apartment community, an oasis in the heart of Silicon Valley! If you haven't been here before and even if you have, we can't wait to show you everything our community has to offer--including our new additional on-site Playground! If you make Marina Cove your new home you'll have a superb location in the Bay Area from which you can get anywhere quickly. We are a friendly community with amenities designed to put your worries to rest. We feature several floor plans to suit all kinds of wants & needs--all of which feature separate dining areas and private enclosed balconies or patios, many now with private Washers & Dryers plus A/C! We look forward to speaking with you soon to find out how easy it is to become our newest resident. Let your concerns drift away as you walk through the community, with beautiful trees or float in the pool on a sunny day. You can also go explore Santa Clara and the rest of the Bay Area. Whatever your favorite sport is, you'll find a team to watch nearby. There's also shopping of all kinds, from the Great Mall outlets Milpitas or the more posh Santana Row in San Jose. Plus, you'll have your choice of outdoor space to explore, from natural reserves to hiking trails through the hills and mountains of the area. And if you're looking for something more unique, try getting lost in the Winchester Mystery House or brushing up on the science you forgot from high school at the Tech Museum. Come see how much there is to love about living at Marina Cove!
