Description

You Can't Beat Living on the Beach!

What's not to love about living at Huntington Breakers? Well, in a word, nothing. We really are the apartment community that has everything - a killer location, lively restaurants and night life, friendly neighbors, and so many perks in the community itself you'll never want to leave! Your apartment will have walk-in closets so big you can practically sleep in them - or store your surfboard. Huntington Beach has some of the best surf breaks on the West Coast (the USA Surf Team is based here for a reason!). But before you hit the waves, you can practice your forehand or lay-up on our tennis and basketball courts, or even play a little beach volleyball! Relax on your private patio or balcony on warm summer nights or have a casual meal at your breakfast bar. We're so close to Main St. that you won't have to miss a single Tuesday "Surf City" night, where the whole city seems to turn out for live performances and a Farmers' Market. Our residents love that we're walking distance to fun, casual bars, restaurants, and Rite Aid. And in keeping with the laid-back vibe of the city, they're also friendly and welcoming - you'll be friends with your neighbors before you know it! We can't wait to make you feel at home at Huntington Breakers!
