Description

Live the Life You've Dreamed About!

We can't wait to show you what Mission Hills in Oceanside has to offer! Come and relax into the laid-back beach-town atmosphere the town is known for. You'll be minutes away from three and a half miles of beach - what could be better? Check out the California Surf Museum; if you're not already a devoted long- or shortboarder, the exhibits might inspire you to learn how to hang ten. Expect something a little different from the Oceanside Museum of Art - more than just an art gallery, it hosts concerts, instructional classes, and film nights. If you don't like wearing actual shoes, just flip-flops, you'll feel right at home here, with casual restaurants and cafes all around, many clustered near the coast. Enjoy the sunshine at one of the several parks and recreation areas scattered through the city. If you want to avoid getting sand in your swimsuit, have a lazy day at our pool, or host a BBQ with some friends or neighbors. Kids and adults alike love our playground and basketball court. Our on-site management team is always happy to help you out with anything you might need - plus, you've got a washer and dryer in your home, so no more hoarding quarters or lugging your clothes to the laundromat! Come see how great life can be at Mission Hills.
