Description

You'll feel at home right away when you come to Cedar Terrace! Our apartment homes - many of which are recently remodeled - boast huge living rooms and tons of closet space. You won't have to worry about feeling cramped or crowded! Fireplaces also contribute to a cozy feel. Cedar Terrace is right off I-405, but we're nestled amongst beautiful, lush trees that help give the community a relaxing, peaceful atmosphere. Spend some downtime with friends out at the pool or in the spa. And if you're always "too busy" to work out, you'll love our 24-hour fitness center. You'll also love our location in Bellevue. There are several grocery stores and other necessary services nearby, and downtown Bellevue is just minutes away. You'll also find plenty of restaurants close by, offering all sorts of cuisine and atmospheres - from casual, family-friendly barbeque to elegant seafood. Don't miss the annual arts and crafts fair or strawberry festival. These family-friendly events draw both locals and visitors from all over. We look forward to seeing you at Cedar Terrace!
