Description

The Enclave Community offers luxury, elegance & much more! From the moment you step into The Enclave, you will experience the sense of comfort and enjoyment from being in a great and friendly environment! The Enclave Apartment Homes combines apartment luxury with an outstanding location close to Downtown San Jose.

Welcome to The Enclave, where you'll find everything you could ask for in an apartment community. We offer spacious apartment homes with lots of modern touches that make you feel right at home. All of our floor plans feature enclosed patios or balconies with washers and dryers, and many of them have options for fireplaces. You'll enjoy natural sunlight through the huge floor-to-ceiling windows. Plus you have access to the kinds of amenities you might normally associate with a luxury hotel - in fact, once you spend a day at our pool, surrounded by gorgeous palm trees, you might convince yourself you're living in a resort! San Jose, the heart of Silicon Valley, has something to offer everyone, from Spartan football games to the San Jose Ballet. Then there's shopping at Santana Row and the "Drop Zone" ride at California's Great America amusement park in nearby Santa Clara. Spend a day exploring the San Jose Flea Market, the largest open air market in the country, and check out the huge variety of goods and delicious snacks. The Enclave is close to Hwys 101 and 237, which means the rest of the Bay Area is at your fingertips.

We are a pet friendly community with a professional on-site staff managed by Essex Property Trust, one of the leading property management companies.
