## Description

### Exquisite Apartment Living at an affordable price!

Welcome to Vista Belvedere, nestled in the hills of Tiburon. Step out onto your oversized patio to take in the breathtaking view of San Francisco. Soft lighting throughout the property and chirping crickets at night will give you the peaceful feeling of home. The manicured landscaping boasts a variety of bushes and trees to enhance the feeling of being in nature. With our large floor plans, you can make the space your own. Cooking will be a joy in a kitchen with granite countertops and wood cabinets or chic white cabinetry. You'll fall in love with the romantic chandelier in the dining room, which gives your home a constant lavish atmosphere, without being too overbearing. Tiburon has many adventures to offer when you step outside. Vista Belvedere is situated just north of the Golden Gate Bridge, giving easy access to the Tiburon ferry to Angel Island. This historical landmark is a great place to bring your visitors. You can also check out the classic car show, International film festival, tree lighting, wine festival, and Friday nights on Main, almost all the restaurants participate in this celebration of outdoor food and drinks and live music every Friday night during the summer. You will experience blissful living at Vista Belvedere.
