#### Every Kind of Luxury

Join in on all the fun that Los Angeles is bursting at the seams with: join the Renaissance community. Live life in the fast lane in this beautiful part of Southern California. The Renaissance is a Mediterranean community perfect for the posh lifestyle. Large Jacaranda and Palm trees add color and flare to this exquisite property. In the center of it all is an immaculate pool that characterizes the glamorous essence of LA. There is a generous amount of deck space lined with lounge chairs to soak up the California sun. Toning your body will be a cinch when your gym is right there! Our fitness center is full of both cardio and weight machines, and free weights to meet all your workout needs. It will be happy and bright inside your new abode with plenty of sunshine to go around. All homes have fireplaces perfect for adding a little heat or roasting some marshmallows. The layouts feel like a house with separate rooms, so you'll never feel cramped. Your bedroom will also be spacious enough for some blissful sleep. When you arise from some necessary restful shut-eye, walk into your closet to find the day's outfit. A rare feature most of these bathrooms possess is a separated area for extra privacy. Don't forget about all that Miracle Mile has to offer and you can find everything from fun nightlife, parks, premier shopping and dining, and most likely a home team for your favorite sport. Weekends are for perusing the The Grove, the Farmers Market, the La Brea Tar Pits, Museum Row, plus much, much more.
