THE NEIGHBORHOOD

Join the movement to one of San Francisco's most innovative and rapidly evolving neighborhoods, Mission Bay. Urbanization of the former 303-acre industrial district has earned the global accolades as an urban smart growth model. Bordered by SoMa, China Basin and Dogpatch it's conveniently nestled within San Francisco's eastern edge. Currently the area boasts over 4 million square feet of commercial, medical office and biotechnology research laboratories which includes the likes of Uber, UCSF, Cisco, Chan Zuckerberg Biohub, Old Navy and Kaiser.

It's a transit rich environment served by Muni's new 3rd Street Light Rail system, Caltrain, Highway 280 and on the path of travel to the future Mission Bay ferry terminal and water-taxi landing (2022 completion). Another key part of the astute densification includes over 7,500 residents at an annual growth rate of 4.82% from 2010, more than three times the projected national average.

Mission Bay is proud to welcome the Golden State Warriors to their new home at the Chase Center in the 2019-2020 season where they will be joining MLB's eight time World Champion Giants at the neighboring AT&T Park. It has attracted a vibrant demographic who are keen to the live, work, play environment cultivated by these key components.

MISSION BAY RETAIL

THE PROJECT

About MB360

MB360 is located in lively Mission Bay, a neighborhood with high population density and outstanding transit. Neighbors include well-known companies such as Chan Zuckerberg Biohub, UCSF, Uber, Kaiser, Cisco and Old Navy. The Golden State Warriors will soon join the eight time World Champion San Francisco Giants in Mission Bay for the 2019-2020 season at the newly constructed Chase Center. The highly anticipated stadium will cost over one billion dollars to build and will seat 18,000 people. Commuter-friendly, MB360 is just blocks away from the Caltrain Station and a short walk from the Powell Street BART Station.

Retail Space Highlights

- Heart of Fourth Street corridor
- Ground floor retail in MB360 Apartment building
- High ceilings
- Glass storefronts
- Existing gas line in Suites A and C
- Type 1 venting possible in Suite C
- Potential outdoor patio
