

Galloway Hacienda Affordable Housing Lottery Results

The Lottery results are posted below. All applications received by the February 6th deadline received a Pre-App identifier number. Please locate your Pre-app identifier number on the below list to find what your lottery ranking number is.

We are currently processing Lottery Ranking Numbers **1 through 50** and we will be contacting those with these numbers to obtain full application materials. These applicants will be contacted through approximately May 31st.

Lottery number rankings above 200 are automatically waitlisted. If your number is above the numbers currently being processed, please check the website after May 31st for the next update. Thank you.
